

Tim Wojcik

Father Mike McDermott

Suzette Woodward, M.D.

New members appointed, officers named to the Board of Directors

Tim Wojcik, Father Michael McDermott and Suzette Woodward, M.D. have been appointed to the Saint Francis Medical Center Board of Directors. Their terms began July 1.

They replace outgoing board members Karen Higgins, M.D. and Scott Zana who served for 2 ½ years.

Wojcik is Senior Vice President & Branch Manager of Five Points Bank Stolley Park Road branch. He currently serves on the Grand Island Economic Development Board of Trustees. In 2000 he served as the United Way Board Chairperson. He is a Chamber of Commerce Ambassador and a member of the Knights of Columbus.

Father McDermott serves as pastor at Resurrection Catholic Church of Grand Island. He is a past member of the Saint Francis Medical Center Board of Directors. Father McDermott currently serves on the Institutional Ethics Committee at Saint Francis, the Third City Community Clinic Board of Directors and the Diocesan Sexual Misconduct Review Board.

Dr. Woodward is a pathologist with Pathology Specialists. She has been named as the medical staff president for Saint Francis beginning July 1 and serves as ex-officio to the Board of Directors in that capacity. Dr. Woodward is a member of the College of American Pathologists and the American Society of Clinical Pathology. She is a member of the Nebraska Every Woman Matters Advisory Committee and the Hall County Medical Society Scholarship Committee.

The Board has also named its officers for the 2008-2009 fiscal year. Barry G. Sandstrom, president and CEO of Home Federal Bank, has been selected as chairperson. Mark Miller of Eakes Office Plus will serve as vice chairperson. G. David Gruendel, Ph.D. was named as treasurer.

Other members of the Saint Francis Board of Directors include Luris de Calero; Sister Sally Duffy, S.C.; Scott Frankforter, M.D.; Lisa Katzberg; Timothy Knudsen, M.D.; Susan Koenig; Dan McElligott, President – Ex-Officio; Daniel Naranjo; Dee Price; Judy Smith and Kenneth Vettel, M.D.
